May 16, 1925.

Mrs. Mary Greene Wilson,
Douglasville, Texas.

Dear cousin Mary:

Your card of April 13th to hand and noted. Yes, I understood your letter to Jessie. She received the letter the same day she left for a visit to Rome, Ga., to be gone two weeks. She will answer your letter upon her return.

We have some very big deals up regarding Cotton Mills, etc., and as explained in my letter the other day, Durward had to go to New York, and I cannot leave until afterthe 25th or 28th. I cannot say just the exact date right now, but will write you in ample time.

Jessie also showed me your little story of "Going to Grandpa's", and I read it which is very nice indeed. I enjoyed it very much. I am having it copied, and will return your copy within the next few days.

I trust you are well. All the family sends their love.

Sincerely,

JCC/s
